DCF Car Safety Tips:

Getting In: Check Behind the Car

Before getting in the car and starting the engine, walk around the car and check for kids, toys, and pets! Make sure there is nothing under or behind your car that could attract a young child. Pick up toys, bikes, chalk, or any type of equipment around the driveway so that these items do not entice kids to play.

Getting Out: Check the Back Seat

In just 10 minutes, a car's temperature can increase by 19°. Before getting out of your car, check the back seat ... Do not forget your child! Never leave your child alone in a car and call 911 if you see any child locked in a car! Place something in the back seat that you will need at work, school, or home (your laptop; your lunch).

Morning Arrival – Annsworth is proud to offer a curriculum and quality early education program. A good night's sleep, a wholesome breakfast, morning routines, and prompt arrival will help children function at a higher level and gain so much more from our program. Teachers are so appreciative when families understand the importance of arriving before class starts at 8:30. This will also limit interruptions to the entire group by late arrivals.

Thank You – We would like to thank all our families that were able to find and donate disinfecting wipes. We greatly appreciate your generosity!

Website and Facebook – Did you know that our monthly calendar and newsletter, along with our school year calendar, and snack menu can be found on our website at www.annsworth.com? Also, be sure to like our Facebook page to see lots of fun pictures and videos from some of our daily activities.

Conscious Discipline by Dr. Becky Bailey – “The school climate is the mood or feel of the school. If the climate is positive, it helps each person feel self-worth, dignity, and importance, while simultaneously generating a sense of belonging to something bigger than themselves.” Bailey, Becky *Conscious Discipline*. Picture Day – Picture Day for Rooms 1-5 is on Tuesday, October 6th and for Rooms 6-10 is on Wednesday, October 7th. Richard's Photography will be taking individual outdoor portraits (weather permitting). We will start around 9:00 a.m. with the younger children and move on to the older classrooms. Richard suggests that you dress your child in solid color clothing for the best results with the outdoor photos. For attending siblings, if you would like them photographed together please let the office know and we will have both children photographed on the scheduled day for the younger attending sibling.

All children will be photographed unless you request in writing that your child's picture not be taken. You will be able to select the portraits and packages of your choice via a secure web site once the proofs are available. Watch for the flyer that will be sent home with further details.
