

April 2023 Newsletter

Thank You – Thank you to the Johnson (Eden) family for donating girl clothes. Thank you to the Ruscitto family for donating Highlights Books. We greatly appreciate your generous donations!

Permission to Apply Topical Products – Sunscreen, insect repellent, diaper rash products, lotion, or other topical products to be applied at Annsworth require a form, one for each product, completed and signed by a parent. Details regarding application are on the permission form. The form is available on our website, or you may request a copy by email or at Annsworth in person.

Annsworth staff will apply the sunscreen and/or insect repellent to exposed skin, just prior to afternoon playground time. It is recommended that parents apply each morning before school to protect the child during the morning playground times. Sunscreen should be broad-spectrum with UVB and UVA protection of SPF 15 or higher. Due to NAEYC recommendations, Annsworth will not use products that combine sunscreen and insect repellent. Additionally, all products must be non-aerosol. Please check that the product you supply has not expired.

Pre-K (Rooms 8, 9 & 10) Spring Hat Parade – On Friday, April 7th, in addition to our Spring Snack Party and Egg Hunts, Rooms 8, 9 & 10 will be having a Spring Hat Parade. To make our day more festive, we would like each Pre-K child to make a spring hat to wear this day. Be creative, the sky is the limit! Help your child make a spring themed hat, a hat that shows his/her personality, or a mixture of the two! Please remember our NO superhero policy.

Conferences for All Age Groups – This month we will be offering Parent Teacher Conferences for you to discuss your child's progress. Each teacher will be available for 15-minute individual/family conferences via phone or video chat on Tuesday, April 25th, Wednesday, April 26th, or Thursday, April 27th. To schedule your appointment, please see someone in the office or call 668-9072 no later than April 24th. This will allow us time to make arrangements for a substitute for your child's teacher during the conferences.

Mark Your May Calendars –

- Week of May 1st – Teacher/Staff Appreciation Week
- Wednesday, May 17th:
 - Pre-K Graduation at 10 am at Cornerstone Presbyterian Church

- Friday, May 26th – School Closed for Staff Planning/In-Service Day
- Monday, May 29th – School Closed for the Memorial Day Holiday
- Tuesday, May 30th – First Day of the Summer Session

Florida Department of Children and Families Facts About Heatstroke – It only takes a car 10 minutes to heat up 20 degrees and become deadly. Even with a window cracked, the temperature inside a vehicle can cause heatstroke. The body temperature of a child increases 3 to 5 times faster than an adult's body.

Heatstroke Prevention Tips:

- Never leave your child alone in a car and call 911 if you see any child locked in a car.
- Make a habit of checking the front and back seat of the car before you walk away.
- Be especially mindful during hectic or busy times, schedule or route changes, and periods of emotional stress or chaos.
- Create reminders by putting something in the back seat that you will need at work, school, or home such as a briefcase, purse, cell phone, or your left shoe.
- Keep a stuffed animal in the baby's car seat and place it on the front seat as a reminder when the baby is in the back seat.
- Set a calendar reminder on your electronic device to make sure you dropped your child off at childcare.
- Make it a routine to always notify your child's childcare provider in advance if your child is going to be late or absent; ask them to contact you if your child has not arrived as scheduled.
