August 11-31, 2025 Newsletter

Start of the School Year – Welcome to all our new and continuing students! We are looking forward to a great school year. It is important that children are here by 8:30 a.m. each morning to receive the full benefit of our program. Most classrooms start out the day with a circle time. New concepts and center activities are introduced during this morning circle, and it is an important part of your child’s preschool experience. If you are delayed and need to arrive with your child during their circle time, please have them join quickly and quietly to minimize the distraction.

If Your Child Will Be Absent or Tardy – Parents, please remember to notify the Annsworth Office Staff if your child is going to be late or absent. This notification may be made in advance, the morning of the tardiness or absence, in person, by writing a note, email, or by phone. If your child has not arrived by mid-morning, the Office Staff will call. We do this for the safety of your child(ren).

Water Bottles – Parents will need to supply individual transparent plastic bottles with a closable lid or drink spout, filled with water each day. Bottles filled with water will need to arrive clearly labeled with the child’s first and last name along with the current date. The bottles will be sent home each day to be sanitized and refilled for the next day. Only water will be acceptable; no juice, dairy, soft drinks, or other liquids will be served from these individual bottles. To avoid condensation getting cubby items wet, please do not put ice in or refrigerate/freeze the bottle.
